

PT Wizard

Like magic, PT Wizard's user-friendly platform makes selecting Dodge products quick and easy.

Building on PT Wizard's legacy of more than 25 years, the platform guides users through product selections, system design, and competitive interchanges.

With the magic of integration, PT Wizard seamlessly connects to PT Place, Dodge's eCommerce platform, to deliver pricing and convert your selections into orders.

PT Wizard, honoring the legacy and innovating the future of Dodge mechanical power transmission design.
